

The map shows a railway line running from the bottom left towards the top right. A road crosses the railway at an angle. A red circle with a crosshair marks the intersection. A red line connects this circle to a text label. Another red line points from the same circle to a second text label. The area is colored in shades of green and brown, representing different land uses. A small blue icon labeled 'Světla H' is visible in the top right corner. Numbers '336' and '482' are marked near some buildings on the right side of the map.
